Large-Item Pickup

Westminster residents have a choice of several large-item pickup services. We've put together a list of trash haulers, and the items they will pick up for disposal. We also included organizations that pick up and recycle commonly discarded large items, including mattresses, appliances, and couches. A single citywide large-item pickup day will not be offered in 2023.

Top Water Saving Irrigation Tips

Irrigation season is upon us! Follow these tips to protect our water supply:

- Limit watering your lawn to three days a week before 10 a.m. and after 6 p.m.
- Adjust your sprinkler heads so they water your lawn and garden, not the street or sidewalk
- Set it, but don't forget it! Adjust your watering throughout the season to maximize efficiency and manage your water bill

National Publics Works Week is May 21-27

The Westminster Public Works and Utility team is busier than you might think. It takes a lot to make sure our city stays a great place to live. Here's a snippet of just some of what our crews manage every year:

1,135+
lane miles
of road

18,405+
signs

4,800+
fire
hydrants

550+
miles of clean
water pipes

400+
miles of
sanitary pipes

5.7B+
gallons of
drinking water
treated

2B+
gallons of
wastewater
treated

Our crews are on-call 24/7, ready to respond to snow storms, water main breaks, and emergencies. Please help us celebrate our hardworking staff this week by giving crews a wave if you see them in your neighborhood!

Financial assistance for water bills available for limited-income families

The Low-Income Energy Assistance Program (LEAP) now offers support for your water bill! If your income is 60% of the state median income or less, you may qualify for both water and winter heating bill assistance. Please apply as soon as possible because funding is limited.
